

# Enterprise Zone Program Application Supplement

In which Enterprise Zone will this project occur (include the zone's name, number, size in acres, and date certified)?

Please list any additional requirements adopted by the local Enterprise Zone Commission and how the Business will meet each requirement.

## **Attachments**

The following documentation must also be submitted:

1. Legal description of the business site on which the project will occur
2. Detailed map (no larger than 11"x17") showing the business site in relation to the boundaries of the certified Enterprise Zone
3. Proof that the local Enterprise Zone Commission meeting, during which this application was approved, was open to the public (i.e. public notice which was published and/or posted)
4. Meeting minutes from the local Enterprise Zone Commission meeting, during which this application was approved
5. Resolution by the local Enterprise Zone Commission approving this application
