Iowa Department of Economic Development Business Development Division

► FINDING REGULATORY ASSISTANCE

The Iowa Business and Regulatory Assistance Network ensures access and responsiveness to inquiries and requests for assistance from citizens, small business, industry and local governments. Facilitated by the Iowa Department of Economic Development (IDED), Business Assistance Coordinators in agencies across state government coordinate regulatory response and service. You may contact IDED or any of the agency contacts listed in this publication for assistance.

Below you will find a brief description of agency functions and a contact for assistance:

Iowa Department of Economic Development (IDED), Regulatory Assistance Team

— confidential, non-regulatory consultation for assistance with regulatory topics and issues and working and communicating with regulatory agencies.

Regulatory Assistance Coordinator:

Sherry Timmins
sherry.timmins@iowa.gov
515.494.4594
<http://regassist.iowa.gov>

Small Business Assistance Gateway, (IDED)

The Small Business Assistance Gateway at IDED informs entrepreneurs and business start-ups and expansions on applicable rules, regulations and resources. The Gateway maintains comprehensive information on registrations, certifications, licenses or other regulatory requirements that may apply to your business or licensed occupation.

Business Licensing Manager:

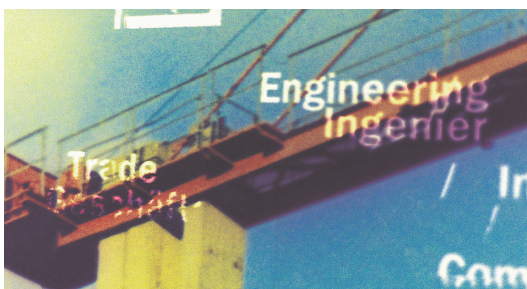

Christine Cavil
christine.cavil@iowa.gov
515.725.3122
1.800.532.1216

Iowa Department of Economic Development <http://www.iowalifechanging.com/>

Iowa Department of Agriculture & Land Stewardship (IDALS)

— administers consumer protection and agriculture promotion programs regulating meat processing, commercial feed and fertilizer, pesticide application, and dairy production and processing.

The Division of Consumer Protection and Industry Services ensures buyers and sellers are treated fairly at the gas pump, grocery store or grain elevator. The Division of Soil Conservation assists in implementing practices that preserve soil, prevent erosion and protect waterways. The State Climatologist, Entomologist and Veterinarian are also part of IDALS. Other areas include Agriculture Statistics and the Horse and Dog Breeding program.

Regulatory Assistance Coordinator:

Margaret Thomson
margaret.thomson@iowaagriculture.gov
515.281.5322

Iowa Department of Commerce, Division of Credit Unions

— provides the supervision and regulation of Iowa state-chartered credit unions.

Regulatory Assistance Coordinator:

Rebecca Behrens
rebecca.behrens@iowa.gov
515.281.6516
www.iacudiv.state.ia.us

Iowa Department of Commerce, Iowa Insurance Division (IID)

— supervises all insurance business transacted in Iowa, grants permission to companies wishing to sell insurance in Iowa and has general control over all aspects of their business. The Iowa Insurance Division is comprised of the following bureaus: Company Regulation, Fraud Bureau, Market Regulation, Regulated Industries and the Senior Health Insurance Information Program (SHIIP). IID serves as the administrator of the securities act which involves the licensing of brokerage firms and their agents, examining new securities offerings and investigating investment fraud cases.

IID also regulates motor vehicle service contracts, prearranged funeral services and merchandise, residential service contracts, congregate care and continuing care retirement facilities, cemetery merchandise and cemeteries.

Regulatory Assistance Coordinator:

Jim Armstrong
jim.armstrong@iid.iowa.gov
515.281.5705
<http://www.iid.state.ia.us/index.asp>

Iowa Department of Commerce, Iowa Utilities Board (IUB)

— regulates investor-owned electric utilities for rates, service, safety and disconnection; rural electric cooperatives for service, safety and disconnection; and municipal utilities for safety and disconnection. The IUB issues electric power generating certificates and electric transmission franchises. It also reviews utility energy efficiency plans and emissions control plans. The agency regulates certain aspects of natural gas service in Iowa, grants intrastate pipeline permits, supervises intrastate pipelines and protects against environmental damage from natural gas and hazardous liquid pipelines.

Local telephone exchange service is deregulated in Iowa; however, the IUB has jurisdiction over service quality for all local exchange carriers. The agency issues telephone certificates and statewide cable franchises. It resolves disputes between telephone competitors and administers the dual party relay service and equipment distribution program.

The IUB reviews customer complaints for many utility services including slamming and cramming, billing disputes, non-payment and disconnection and deceptive practices.

Regulatory Assistance Coordinator:

Joan Conrad
joan.conrad@iub.iowa.gov
515.725.7311
