

WHAT IS IASOURCELINK?

IASourceLink.com is where business begins in Iowa for a start up or a small business that is expanding or relocating. IASourceLink is Iowa's online clearinghouse of statewide information that quickly connects entrepreneurs and small businesses to the most comprehensive and current network of over 300 resource providers located across Iowa.

OUR BENEFITS

Simply by visiting IASourceLink.com, businesses can take advantage of the following benefits:

RESOURCE NAVIGATOR

The IASourceLink Resource Navigator is an online, non-intrusive way for entrepreneurs and small business owners across Iowa to access resources. Enter your zip code and particular requirements into the Resource Navigator and a list of potential resources tailored to your needs is returned. You may also request additional assistance electronically or by phone.

STATEWIDE EVENT CALENDAR

IASourceLink's event calendar lists small business and entrepreneurial networking, educational and training opportunities taking place in Iowa. The event calendar is continuously updated and is your connection to expert speakers, events and topics focused on how to effectively position your start up or small business for success and growth.

BUSINESS CONCIERGE

When you want advice from a real person, call the Business Concierge. Our representative's knowledge and expertise about Iowa's statewide network of resource providers, marketing demographics and trends helps ensure you get to the right organization with the right resources at the right time. Call toll-free at 866.537.6052.

BUSINESS LICENSING

IASourceLink provides assistance to businesses seeking to navigate and identify registrations and licenses required for operating a business in Iowa. Call toll-free at 800.532.1216.

WEBINARS AND OTHER RESOURCES

IASourceLink provides webinars, blogs and resource pages dedicated to current issues that matter to entrepreneurs and small businesses.
