*\*CEO refers to the Mayor, Board of Supervisors Chairperson, President, Agency Director, or other official*

**BRIEF WORK DESCRIPTION (From Attachment A of the Contract):**

Activity Number: \_\_\_\_\_ Description: \_\_\_\_\_

**TYPE OF CONSTRUCTION (Final determination of construction type will be made by IEDA)**

**BUILDING:** Includes the construction, rehabilitation and repair of sheltered enclosures with walk-in access for the purpose of housing persons, machinery, equipment, or supplies.

**RESIDENTIAL:** Includes the construction, rehabilitation and repair of single-family houses, townhouses, and apartment buildings of no more than four (4) stories in height.

**HIGHWAY:** Includes the construction, alteration, and repair of roads, streets, highways, runways, parking areas and most other paving work not incidental to building or nearby construction.

**HEAVY:** A "catch-all" category which includes those projects which cannot be classified as Building, Residential, Highway or Treatment. Heavy construction is often further distinguished on the basis of the characteristics of particular projects such as dredging, water and sewer lines, dams, major bridges and flood control projects.

**TREATMENT:** Construction of, or improvements to, water and sewage treatment facilities.
